360 degree Panoramic Photography: Examples

Client: Frogwell B&B
Area: Leisure & Tourism
Web: www.frogwell.net

Brief:

Frogwell is a small, family-run bed and breakfast business in Strete, near Dartmouth in Devon.

The proprietors have 3 rooms within the property, each having its own individual look and feel. The problem that they encountered was how best to do justice to the rooms on their web site as conventional photography was proving too restrictive.

Versatile visited and took panoramic views of each room. These were converted into flash format and submitted to the client who were able to easily incorporate them into their web site.
